

## TESTIMONIALS

*'Hans was doing something called Matrix Energy Healing. He told me to remove my shoes and lie on a table, then he placed a blanket over me to prevent me from being cold. Remember, it was 19 degrees last Sunday, but he said I would need it. Yeah, whatever, mate. He told me to close my eyes and say nothing. I could sense him walking around me, but that was all. I then felt his fingertips lightly pressing on my shoulder, for what was maybe a minute. Then nothing, I had no idea of the time line of this, I sort of drifted as I wondered what on earth was going on.*

*Then it felt as though I was standing next to a fridge with the door open as a chill went right through me, enough to make me shiver. Ok, now he had my attention, this was weird, but a nice weird. Then warmth went down my entire arm, and then it became unpleasant. Not painful, but it felt like I had fifty kilos strapped to my biceps and that it was being dragged towards the floor. It made me wince quite a bit. Yet nothing was touching me. I mean it, not a thing was close to me. The treatment lasted I think maybe thirty minutes.*

*Hans told me to just lie still and he asked me a few questions about my past. Well, I am normally very private and tell nobody anything about my life, past or present. But to him I just blurted out the answers, some of which were extremely personal. It got to me emotionally. He also 'guessed' some of my mental blocks and he was spot on, too! Finally he stated that these blocks I have, are also a cause to my shoulder problems, from which I have suffered for three years in total. I sat up and felt exhausted. Also I felt as though I was on a high. I can't describe it any better than that. When I left his puppetry table, I looked back and thanked him, not laughing this time, but I was impressed. I had no idea what he did to me scientifically, but I got a leaflet that said it had something to do with Meridian lines that encircle the Earth and our bodies'.*

Thanks, N.

*'Even ter herinnering: Vorig jaar zomer zat ik er helemaal doorheen en had het gevoel totaal geen energie meer te hebben. Jij hebt mij toen een keer laten ervaren wat Matrix Energy kan betekenen. Nu, pas een jaar later, besef ik wat jij toen bij mij in gang hebt gezet. Het afgelopen jaar heeft volledig in het teken gestaan van mijn persoonlijke groei en ontwikkeling. De puzzelstukjes vallen op hun plaats. Ik hoef het jou natuurlijk niet verder in woorden uit te leggen. Bedankt!!! Vanuit heel mijn hart!!!'*

Liefs, M.

## LANDSCAPING LIFE

is een manier om je levenspatronen beter in kaart te brengen en analogieën tussen diverse gebeurtenissen te herkennen. Daarmee verwerf je meer inzicht in jezelf en ben je in staat eventueel noodzakelijke processen op gang te brengen of te versnellen. Ieder mens is in principe namelijk zelf-ontwikkeland en -helend. Spiritual Psychology, MetaPhysics en Journeying kunnen hierbij behulpzaam zijn.

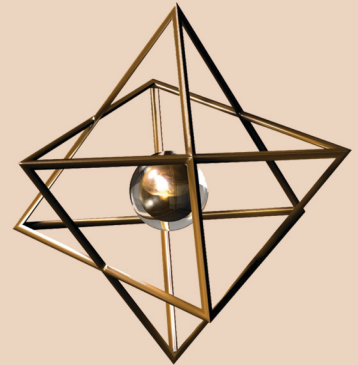

## LANDSCAPING LIFE

is a way to map out the patterns of your life and recognise analogies between the various events in a more effective way. This will improve your self-awareness and enable you to initiate or speed up any necessary processes. Because, generally speaking, every human being is self-developing and self-healing. Spiritual Psychology, MetaPhysics and Journeying may be helpful in this process.

## MATRIX ENERGY

is een verzamelbegrip voor diverse vormen van esoterische energetische healing, zoals Matrix Energetics, DSR, Chakra Pulsing, Reconnective Healing en Ilahinoor. Deze healingvormen helpen je ingrijpende, soms zelfs levens veranderende, ervaringen te creëren. Tevens kom je op deze manier gemakkelijker los van eventueel belemmerende overtuigingen, zodat je vrijer binnen en buiten de ratio kunt bewegen. Een soort 'op losse schroeven' methode.

## MATRIX ENERGY

is an umbrella term for various forms of esoteric energetic healing, for example Matrix Energetics, DSR, Chakra Pulsing, Reconnective Healing, and Ilahinoor. These forms of healing will help you create significant and sometimes even life-changing experiences. They will also help you free yourself from any obstructive convictions, to allow you more freedom of movement within and outside of the ratio. A kind of 'liberation' method if you will.
